Posted 8 days ago

Summer is almost here and the kids just have a few weeks left in school. Most are looking forward to summer vacation and this week we have a really special prize.

One lucky winner and their family, (two adults, two kids) will win a weekend away to Canada's Wonderland.

This prize includes four all-day passes to the park and overnight accommodations at the Holiday Inn Express in Vaughan. We also have two secondary prizes of four tickets to the park.

Canada's Wonderland has changed the landscape for thrill seekers with Behemoth - Canada's biggest, fastest and tallest roller coaster. At over 5,300 feet (1,616m) in length, Behemoth sets the stage for thrills with a climb to a height of 230 feet (70.1m), followed by an adrenaline pumping 75 degree drop with speeds reaching 125 kilometers per hour in 3.9 seconds.

The park's 15th roller coaster, which features prototype open-air seating, takes riders on the ultimate coaster experience with high speed twists and turns making Behemoth one of North America's best coaster experiences.

Everyone comes to Canada's Wonderland to ride the coasters and thrill rides, but these are not the only things that will excite guests this season.

Canada's Wonderland offers the best entertainment value around with 2 parks in 1. The park not only offers over 200 attractions including North America's greatest variety of roller coasters, three fun-filled children areas and exciting new live entertainment, there's also a 20-acre water park which is open throughout the summer months. Splash Works is sure to be splash headquarters this summer with White Water Bay -Canada's largest outdoor wave pool, a ¼ mile Lazy River, water slides aplenty, and an exciting children's splash area.

Wonderland heats up summer with Motown classics and a boy genius' madcap inventions in two exciting new shows. Signed, Sealed, Delivered, located in International Showplace, relives the magic of the '50s and '60s through song and dance. From street lamp to spotlight, this show features all of the songs that you forgot you loved and will have you tapping your toes to the beat.

Kids will want to check out Putz Headquarters for Marty's Party, where the wacky inventions of whiz kid Marty and the outrageous outfits of Fiona the fashion queen take over Kidzville Playhouse Theatre. The unexpected will happen in this hilarious show for kids of all ages.

This wonderland of family entertainment has something to offer all ages, where else can kids hang out and play with superstars like Dora the Explorer, Sponge Bob Square Pants, Scooby Doo and The Backyardigans. The park features three areas just for kids including Nickelodeon Central, Kidzville and Hanna-Barbera Land.

Classic animated characters from the Sponge Bob Squarepants television series star in a deep-sea 3D motion simulator movie ride at the Paramount Action F/X Theatre - the world's only ocean motion movie ride.

Join the cartoon star as he rides a bubble bicycle in pursuit of a runaway pickle required to serve the perfect Krabby Patty hamburger.
